Here is a sample of a class registration to help you through the process.

The screenshot shows a web browser window with the URL `glpyc.org/content.aspx?page_id=4002&club_id=108990&item_id=1456179&event_date_id=115389`. The page header includes the Groton Long Point Yacht Club logo and navigation links: ABOUT US, PROGRAMS, SOCIAL, CALENDAR, STORE, and MEMBER RESOURCES. The user is logged in as Andrea Frickman.

The main content area is titled "Events - Event View" and shows the "Youth June Tennis Clinic (Ages 9-16)". A note states: "This is the 'Event Detail' view, showing all available information for this event. If registration is required or recommended, click the 'Register Now' button to start the process. If the event has passed, click the 'Event Report' button to read a report and view photos that were uploaded."

The event description states: "The Clinic is for players of all levels and will include stretching and light drills; instruction, technique and practice (e.g. forehand, backhand, volley, serve); match play/strategy; etiquette and team building games. There are two levels: beginner & intermediate/advanced. Our Youth Tennis Pro will place players in the appropriate class on first day."

A note specifies: "Only YOUTH MEMBERS, ages 9-16, will participate. To register youth members in your membership you must select Not me, but I'm registering X others in the 'Who is registering for this event?' section."

The "Who is registering for this event?" section has three radio button options: "Me only", "Me + [] guests", and "Not me, but I'm registering [- 1 +] others". The "Not me, but I'm registering" option is selected. Arrows point to the "Me + [] guests" and "Not me, but I'm registering" options with the text: "Select Not me, but I'm...
